

I am writing to inform you that Beit Shvidler is consulting on our Admissions arrangements. Please see attached proposed Admissions Criteria and Supplementary Information Form.

The main changes include:

1. Children of members of staff are now included as one of the priority criteria in the case where the school is oversubscribed.
2. More clarity and details have been given to assist parents completing the Supplementary Information Form. For example, this includes flexibility in situations where it may be difficult to fulfil priority criteria due to disability or health conditions.

The consultation will run from Monday 29<sup>th</sup> November 2021 and will run for a period of 6 weeks.

Any comments or suggestions regarding the consultations should be emailed to Mrs Kleinman at [m.kleinman@beitshvidler.org.uk](mailto:m.kleinman@beitshvidler.org.uk)

Kind regards.

*M Kleinman*
