

# ART CLUB

The goal of these **ART CLASSES** is to tap into your child's natural artistic ability. Your child will learn to perceive their subjects in a new light by learning to distinguish shapes and tonal values, and how to develop perspective. Ability and confidence grow as they discover drawing what they actually see. Allow their imagination run free, while they learn new techniques.

The course includes:  
 Mark Making & Tone  
 Introducing Colour  
 Space & Measurement  
 Observations in Nature  
 Being Creative with crafts and materials
