

## Hello Beit Shvidler School!

After School Chess Club  
can allow your child to develop:

- Strategic and tactical thinking
- Critical thinking
- Logic and concentration
- Ability to problem solve
- Commitment
- Ability to visualize
- Ability to analyze
- Decision making
- Competitiveness and patience
- Ability to learn something new from each situation

I, Tomer Eden, am a UK/Israeli Chess Master and I  
organise/manage the Chess Club at the School.

I have been playing chess from the age of 4 and I have  
represented Division 1 clubs in the 4NCL (Four Nations  
Chess League), London and Middlesex Leagues, as well as  
representing Middlesex in the County Championships on  
the highest boards.

For several years now I have been sharing my passion for this  
unique game by coaching children and adults in various schools  
and clubs throughout London.

## The Chess Club lesson plan:

- 10 Minute lesson on a professional demonstration board
- Practice Play with analysis of games
- Weekly tournament game\*

\*Children that are ready to play a full game will compete in a termly  
tournament with trophies for the winners and badges awarded to all players
