

# Weather/ Climate   Our local area   Where in the World?   Marvellous Mapping

## The Natural Environment   Enquiry and Fieldwork

Year 1				
	What is a map?	How do Seasons affect our lives?	Would you like to visit the UK?	What is important about farms?
	<p>What is a map – how to plot a route using ‘Rosie’s Walk’. <b>(map skills)</b></p> <p>What is aerial view? <b>(map skills)</b></p> <p>What is a compass? And how do we use a compass? <b>(use compass points)</b></p> <p>How can we make a map, using an aerial view? <b>(map skills)</b></p> <p>What are amenities? How can maps tell us about the amenities in our area? <b>(map skills and recognising symbols)</b></p> <p>Fieldwork: Is Edgware a good place to live? What amenities does it have? <b>(fieldwork)</b></p>	<p>What are the seasons and how are they linked with the months of the year? <b>(studying and comparing climates)</b></p> <p>What is the weather like in spring and how does it affect agriculture and animals? <b>(studying and comparing climates, studying pictures)</b></p> <p>What is the weather like in the summer? How does this affect the clothes that we wear? <b>(studying and comparing climates, studying pictures)</b></p> <p>What is the weather like in autumn? <b>(studying and comparing climates, studying pictures)</b></p>	<p>Where is the UK? Locate on a map. Name and identify the four countries of the UK <b>(map skills)</b></p> <p>What are the seas surrounding the UK? <b>(map skills)</b></p> <p>What are human and physical features and how do we identify them? <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is England on map? What is England’s flag? What is the capital city of England? What are the key features of England, what flower represents England? <b>(map skills, studying pictures)</b></p> <p>Where is Scotland on map? What is Scotland flag? What is the capital</p>	<p>What is a farm? Why are they important? The different types of farm – arable, livestock and dairy. <b>(studying pictures and videos of locality)</b></p> <p>What are the features of a farm? <b>(studying pictures and videos of locality)</b></p> <p>How can we use a key to understand a map? Design your own map symbol <b>(map skills)</b></p> <p>What are the differences between a farm and a town? <b>(studying pictures and videos of locality)</b></p> <p>What are the different jobs on a farm?</p>

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p>Can you design an ideal town?                  (drawing and labelling pictures)</p>	<p>What is the weather like in the winter and how does it affect human activity?                  (studying and comparing climates, studying pictures)</p> <p>How does the weather in all the seasons compare?                  (studying and comparing climates, studying pictures)</p>	<p>city of Scotland? What are the key features of Scotland, what flower represents Scotland?                  (map skills, studying pictures)</p> <p>Where is Wales on map? What is Wales flag? What is the capital city of Wales? What are the key features of Wales, what flower represents Wales?                  (map skills, studying pictures)</p> <p>Where is Northern Ireland on map? What is Northern Ireland flag? What is the capital city of Northern Ireland? What are the key features of Northern Ireland, what flower represents Northern Ireland?                  (map skills, studying pictures)</p>	<p>(studying pictures and videos of locality)</p> <p>What happens in each season on a farm?                  (studying pictures and videos of locality)</p>
Year 2				
	<p>What are the similarities and differences between London and Cape Town?</p>	<p>What would I see on a trip around the world?</p>	<p>What is it like to visit the Artic?</p>	
	<p>What are the major capital cities in the world?                  (map skills)</p>	<p>How is the world split up into 7 continents and oceans? Can you locate them on a map?</p>	<p>Can you use a map to investigate where the Artic Circle is?                  (map skills)</p>	

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p>What are human and physical features?  <b>(map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>What are the physical features of Edinburgh and Cape Town and can you compare them? (Location, climate and rivers) <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>What are the human features of Edinburgh and Cape Town? (transport and shops) <b>(map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>What are city maps and symbols?</p>	<p>Where is Europe? Can you locate France? What are the geographical features of France?  <b>(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is Asia? Can you locate China? What are the features and characteristics of China?  <b>(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is the Antarctica? What are features and characteristics of Antarctica?  <b>(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p>	<p>What is the climate like in the Arctic and what are differences between summer and winter there?  <b>(studying and comparing climates, studying pictures)</b></p> <p>What are the Arctic Circles physical features?  <b>(map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>What animals live in the Arctic Circle?  <b>(studying pictures)</b></p> <p>What are the cities and towns in the Arctic Circle?  <b>(map skills)</b></p> <p>How does the town of Sisimiut compare to the United Kingdom?  <b>(studying pictures and videos of locality)</b></p>	
--	---	--	--	--

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p><b>(map skills, recognising symbols)</b></p>	<p>Where is Australia? Is Australia a continent or a country? What are the features and characteristics?  <b>(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is a Africa? Where is Kenya? What the features and characteristics of Kenya?</p> <p>Where is South America? Where is Brazil? What are the key features and characteristics of Brazil?  <b>(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is North America? Where is the United States? What are the key features and characteristics of the USA?</p>		
--	---	--	--	--

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

		(Locating the continents, map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)		
Year 3				
	How do we use land?	Why should Rainforests be important to us all?	What is it like to live in the UK?	
	<p>What are the differences between urban and rural locations?                      (drawing and labelling pictures/asking geographical questions/studying pictures)</p> <p>What are the different ways that humans can use land?                      (drawing and labelling pictures/asking geographical questions/studying pictures)</p> <p>Can you draw a simple sketch map and know how to use it?                      What are map keys? Can you create one and use it? (map skills)</p>	<p>Where are the rainforests located? (Map skills)</p> <p>What is the climate like in the rainforest? (Studying and Comparing Climates)</p> <p>What are the layers in a rainforest?                      (drawing and labelling pictures/asking geographical questions/studying pictures)</p> <p>What life (fauna and flora) can you find in rainforests and how are they adapted to the climate?</p>	<p>What are the names of the counties and cities of the UK? Are you able to locate these? (Map skills)</p> <p>What are the eight compass points and can you use these to describe the location of the countries and cities in the UK? (use compass points)</p> <p>Can you name and locate the main rivers and seas in the UK? (Map skills)</p> <p>Can you name and locate some of the counties of the UK? (Map skills)</p>	

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p>Field work: surveying the land and drawing a sketch map with a key  <b>(Field Work)</b>                  Focus of the Fieldwork: How is land used for farming?  <b>(Field Work)</b></p>	<p><b>(drawing and labelling pictures/asking geographical questions/studying pictures)</b>                   Why are rainforests often in the news?                  What effects are humans having on the rainforest?  <b>(geographical attitudes)</b></p>	<p>Can you name and locate areas of high ground in the UK? <b>(Map skills, recognise symbols)</b>                   How has London changed over time? <b>(studying pictures and videos of a locality)</b>                   What is the Prime Meridian and can you explain its importance to London's History? <b>(map skills/drawing and labelling pictures/asking geographical questions/studying pictures)</b>                   How has the UK changed over time? <b>(drawing and labelling pictures/asking geographical questions/studying pictures)</b></p>	
Year 4				
	What's so special about Spain?	How do Maps help us?	How extreme is our earth?	

# Weather/ Climate   **Our local area**   Where in the World?   Marvellous Mapping

## The Natural Environment   Enquiry and Fieldwork

<p>What are the similarities and differences between Spain and the UK? <b>(drawing and labelling pictures/asking geographical questions/studying pictures)</b></p> <p>Where is Spain in the world? <b>(Map skills, recognise symbols)</b></p> <p><b>What the physical features of Spain?</b> <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>What the human features of Spain? <b>(map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>Where is Catalonia in Spain? What is the Capital City of</p>	<p>What is an atlas and how do we use it? <b>(Map skills, recognise symbols)</b></p> <p>What are ordnance survey symbols? How and why do we use them? <b>(Map skills, recognise symbols)</b></p> <p>Can you remember the eight compass points and how to use them? <b>(use compass points)</b></p> <p>What grid references and how do they help us read and use maps? <b>(Map skills, recognise symbols)</b></p> <p>Can you plan a route using a compass? <b>(use compass points)</b></p> <p>How do maps chart the changes in land use through time? <b>(Map skills, recognise symbols, drawing and labelling pictures/asking geographical questions)</b></p>	<p>(KWL grid) What's underground/ Layers of the Earth <b>(drawing and labelling pictures)</b></p> <p>What is a volcano? <b>(Map skills, recognise symbols)</b></p> <p>Where are the worlds tectonics plates and where are volcanoes typically located? <b>(Map skills, recognise symbols)</b></p> <p>How can we make a model of a volcano? <b>(studying pictures/videos of a locality)</b></p> <p>Why are Volcanoes dangerous? <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>What is an earthquake? <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>Where are they typically located? Why are they dangerous? What is</p>	

# Weather/ Climate Our local area Where in the World? Marvellous Mapping The Natural Environment Enquiry and Fieldwork

	<p>Catalonia? Why is Catalonia as a region so important? <b>(map skills, recognising symbols, drawing and labelling pictures/asking geographical questions)</b></p> <p>What is the climate like in Spain? <b>(studying and comparing climates, studying pictures)</b></p> <p>Why is tourism so important to Spain? <b>(drawing and labelling pictures/asking geographical questions)</b></p>		<p>the ring of fire? <b>(Map skills, recognise symbols)</b></p> <p>What is a Tsunami? Where are Tsunami's located? <b>(Map skills, recognise symbols)</b> Why are they dangerous? <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>What are Tornadoes and where are they located? <b>(Map skills, recognise symbols)</b></p> <p>What is a climate change and carbon footprints and how is it affecting extreme weather? <b>(drawing and labelling pictures/asking geographical questions)</b></p>	
Year 5				
	<b>Where in the world am I?</b>	<b>Do we have enough resources for everyone?</b>	<b>Where does our water come from?</b>	
	Can you locate the Equator, Northern and Southern	Which natural resources and land uses can we find in the UK? What	What is the water cycle and why is it important? <b>(drawing and labelling pictures)</b>	

# Weather/ Climate   Our local area   Where in the World?   Marvellous Mapping

## The Natural Environment   Enquiry and Fieldwork

<p>hemisphere on a map and globe? <b>(Map skills, recognise symbols)</b></p> <p>Can you identify lines of latitude and longitude on a map, atlas and globes to locate countries? <b>(Map skills, recognise symbols)</b></p> <p>Can you identify the Arctic and Antarctic Circle on a map and globe? <b>(Map skills, recognise symbols)</b></p> <p>Can you compare daylight hours in the UK and polar regions? 7) <b>(Comparing and contrasting an area)</b> What is the location of the Tropics of Cancer and Capricorn and differences/similarities</p>	<p>do we need? <b>(Map skills, recognise symbols)</b></p> <p>Where does our power comes from? <b>(Map skills, recognise symbols)</b></p> <p>What are the differences between renewable or non-renewable sources? What are the advantages and disadvantages of both? <b>(drawing and labelling pictures/asking geographical questions/ studying a locality)</b> Where in the world does our food come from? <b>(Map skills, recognise symbols)</b></p> <p>How can you save the energy and how to use the energy wisely? <b>(drawing and labelling pictures/asking geographical questions)</b></p> <p>Are there enough resources for everyone?</p>	<p>What are the features of a river? Can you explain the processes of erosion, transportation and deposition? <b>(drawing and labelling pictures, Map skills, recognise symbols)</b> How are rivers used? Can you find information from secondary sources about rivers? <b>( Map skills, recognise symbols, drawing and labelling pictures)</b></p> <p>What are the causes river pollution locally and globally? How does this affect the environment? <b>(Map skills, recognise symbols, drawing and labelling pictures )</b></p> <p>Which geographical questions can you ask about rivers? <b>(asking geographical questions)</b> Can you choose a line of enquiry for an investigation? <b>(Fieldwork)</b>Are you able to use secondary sources to find answers to geographical questions? <b>(asking/geographical questions/Fieldwork)</b></p>	
--	--	--	--

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p>between the UK and the tropics?                  (Map skills, recognise symbols, Comparing and contrasting an area )</p> <p>Can you identify and name country on the Prime Meridian? (Map skills, recognise symbols)</p>	<p>(drawing and labelling pictures/asking geographical questions)</p>	<p>Can you choose a suitable way to present their findings? (Fieldwork)</p>	
Year 6				
	<p>Why is trade vital to the UK?</p>	<p>Is the United States united?</p>	<p>Journey's where are we going?</p>	
	<p>What are the main exports and imports of the UK? (Map skills, labelling pictures and maps, recording measurements and drawing a table)</p> <p>How did trade begin and how did it grow and develop? (Map skills)</p> <p>What are primary, secondary and tertiary industries and</p>	<p>Why learn about North America? What's special about it? (Map skills, Retrieval facts)</p> <p>What are the different climate zones of North America? (Map skills and studying and comparing climates)</p> <p>What natural resources does North America have?</p>		

Weather/ Climate Our local area Where in the World? Marvellous Mapping  
 The Natural Environment Enquiry and Fieldwork

	<p>how does food get from farms to fork? <b>(Drawing and labelling pictures)</b></p> <p>What is fair-trade and why is it a good thing? <b>(retrieval facts, shown as a dialogue)</b></p> <p>What are the differences between developing and developed countries? <b>(Map skills, interpreting tables)</b></p> <p>How does money work as a means of exchange?</p>	<p>What are some of the physical and man-made landmarks in North America?</p> <p>How does North America compare to the United Kingdom?</p> <p>Can we appreciate the diverse nature of different North American countries?</p>
