Has the PE and sport premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	No

## Spending impact report for 2021 - 2022

Funding received	
Total amount received: £18,566	
Objectives	
<ol style="list-style-type: none"> <li>1. Raising the profile of PE and sport across the school as a tool for whole-school improvement</li> <li>2. Increasing staff members' confidence, knowledge and skills in teaching PE and sport</li> <li>3. Offering pupils a broader range of sports and activities</li> <li>4. Increasing pupils' participation in competitive sport</li> </ol>	

Objective 1: Raising the profile of PE and sport across the school as a tool for whole-school improvement				Percentage of total spending
				36%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
	School ran a summer camp with a sports coach who run daily sports sessions. Each day focussed on a different sport. Children learnt and participated in hockey, cricket, football, netball, basketball and tag rugby. Massive uptake with over half the students attending. Children engaged in daily sports activity	£6,750	Children left camp having participated in regular exercise. Children left having learnt new sports skills and new sports.	Continue to expand the summer camp and based on the success of the summer camp, consider running a winter sports camp.

	getting regular exercise and learning new sports and new skills.			
Objective 2: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				Percentage of total spending
				31%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
	Specialist sports company used to provide support to teachers in PE lessons and curriculum development.	£5,048	PE curriculum has a better balance, is more comprehensive and has more breadth and depth. Teachers better equipped to deliver lessons.	Further INSETs and training to reinforce and keep-up-to-date teachers practice.
	PE and sports training was held at the school for prospective new sports coaches.	£790	Better supply of PE teachers to be available to the school.	Continue to host PE teacher training sessions
Objective 3: Offering pupils a broader range of sports and activities				Percentage of total spending
				24%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
	School organised for all children in Year 3 – 6 to participate in sports not normally available during PE lessons. These included Javelin, high jump, long jump and long distance racing. Schools hired a specialist	£2375	Children's interest and proficiency in new sports increased.	Build on skills and try and incorporate these sports into school sports more often.

	athletics stadium. PE provision was expanded to include gym, cricket and rugby.			
	School purchased equipment that would enable children to enjoy a greater variety of sports and for greater regularity of usage.	£1985	Availability of equipment means children have more opportunities to play the sports.	Continue to invest in appropriate sports equipment.
Objective 4: Increasing pupils' participation in competitive sport				Percentage of total spending
				9%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
	Participated in an increasing amount of sports competitions over the course of the year	£1360	Children celebrate sporting achievement and increased participation in competitive and team sports	Continue to expand the opportunities by looking for other opportunities for competitive sport.
	Linked with local primary schools to arrange matches allowing the children to use their sports skills	£285		
	Ran our own sports tournament between different year groups.	£0
